road towable unit

Approved by the Vehicle
Certification Agency

Featuring:

**NOW AVAILABLE IN 100%
STAINLESS STEEL**
Includes our 25 year
transferable anti-corrosion
guarantee

Large capacity, yet easy to tow and install on-site

Designed to maximise your return on investment.

Design is at the core of our large-capacity road towable welfare unit. The twin axle design makes it easy to transport and meets all of the HSE welfare on-site standards. Power is provided by the integrated silenced 7KVA diesel generator which supplies two electrical specifications, Eco+ and Hybrid.

THE BIG SPACE 24 IS DESIGNED TO:

- Meet the large capacity welfare requirements of the construction industry.
- Be robust and easy to maintain and service.
- Meet different site requirements and those of the HSE.
- Defined canteen, rest area, office, storage and sleeping sections which combine into 4 standard layouts or bespoke to your needs.

LAYOUT OPTIONS:

- 1: 12 Man Canteen/3 Man Office
- 2: 12 Man Canteen/Changing (Multiple Occupancy) & Drying Room
- 3: 12 Man Canteen/3 Man Bedroom
- 4: 7 Man Canteen/5 Man Office
- 5: Bespoke
